

Expert Review of The Safety of Aspartame

A Self-study CPE Program for Dietetic Professionals

References (in order cited)

Bernadene Magnuson, PhD

Dr. Bernadene Magnuson has recently joined Cantox Health Sciences International as a Senior Scientific and Regulatory Consultant. Prior to joining Cantox, she was an Assistant Professor of Nutrition and Food Science at the University of Maryland, where she conducted research on food toxicology, diet and cancer prevention and teaches food science and food toxicology.

Dr. Magnuson served as the lead author of an expert review of the safety of aspartame published in the September 2007 issue of *Critical Reviews of Toxicology*.
